
 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.** This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-844-0488. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	Network: <b>\$500</b> per person/ <b>\$1,000</b> per family; Non-Network: <b>\$800</b> per person/ <b>\$1,600</b> per family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes. <u>Preventive services</u> , physical exams, <u>prescription drugs</u> , hearing aids, and dental and vision services are covered before you meet your <u>deductible</u> when you use a network provider.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	Yes. For Delta Dental: <b>\$75</b> per person/ <b>\$125</b> per family for PPO and <b>\$150</b> per person/ <b>\$175</b> per family for non-PPO, and <b>\$50</b> per person/ <b>\$100</b> per family for <u>prescription drugs</u> . There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
<b>What is the out-of-pocket limit for this plan?</b>	Network: <b>\$3,500</b> per person/ <b>\$7,000</b> per family; Prescription Drugs: <b>\$3,000</b> per person/ <b>\$6,000</b> per family; Non-Network: <b>\$5,600</b> per person/ <b>\$11,200</b> per family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	<u>Premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain <u>preauthorization</u> (called pre-certification <u>deductibles</u> ) or provide required notice after ER visit, expenses above any <u>plan</u> limit, chiropractic care, acupuncture, non-surgical TMJ, certain podiatry expenses, dental and vision expenses (which are separately provided), <u>non-network cost sharing</u> (subject to separate limit), <u>prescription drugs</u> (subject to separate limit), certain specialty pharmacy drugs that are considered non-essential health benefits and fall outside the <u>out-of-pocket limits</u> , and any services this <u>plan</u> does	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

	not cover.	
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.bcbsil.com">www.bcbsil.com</a> or call 1-800-810-2583 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
