

Delta Dental Virtual Visits

Delivered by TeleDentistry.com

Dental emergencies don't always happen during working hours. That's why Delta Dental of Illinois is partnering with TeleDentistry.com to offer our group members 24/7 access to virtual dental care. Teledentistry is a convenient, safe and effective way to receive immediate care.

Members can use Delta Dental Virtual Visits when:

experiencing
an after-hour
dental issue

facing a dental
emergency and
you don't have an
established dentist

seeking a dentist
consult without
leaving your home

traveling
and need
dental assistance

TeleDentistry.com services are included in existing coverage for our group members. In addition to a virtual consultation, a TeleDentistry.com dentist can write prescriptions when appropriate and refer to an in-network dentist if additional treatment is needed.
